### CUPID COMES CALLING...

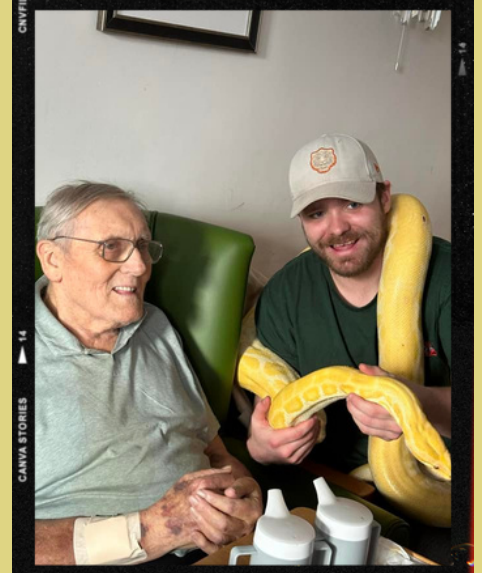

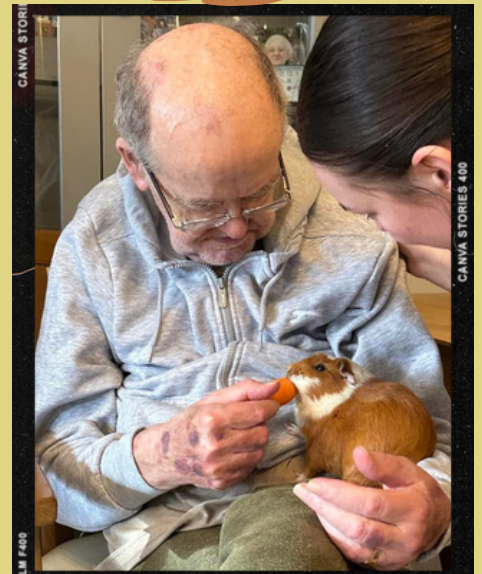

This month the residents put lots of work and creativity into making hand-made valentines gifts for their loved ones! We also hosted afternoon tea

# ANIMAL INTERACTIVE

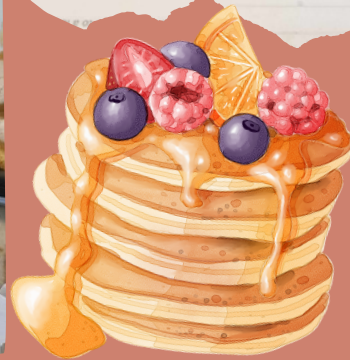

Animal Interactive paid us a visit recently, with a whole host of furry (and scaly!) friends in tow. Everyone had a great time, getting up close and personal with some exotic animals

# PANCAKES

We had a great time getting stuck in and making our own pancakes!

...and enjoying a few hours out in the local community, getting some fresh air and making friends

LET'S GO

ADVENTURE

# NATIONAL CARE DAY

The 16th February marked National Care Day, a special occasion that encourages individuals and communities to prioritize care and compassion. The residents surprised the staff at the Home with handmade cards!
